

Information related to COVID-19

Government Regulations

To minimise the risk of COVID-19 spreading in the community, members of the public are strongly advised to reduce social contact to protect themselves and others:

- Maintain social distance, keep a distance of at least 1 metre from others
- Minimise gatherings and trips outside home
- Minimise meal gatherings and use serving utensils
- Avoid crowded places
- Wear a mask in public places and when using public transport
- Avoid handshakes and physical contacts

The Government has been reviewing the feasibility of relevant measures and will make adjustments on a timely basis in view of the latest development of the disease. The latest regulations and announcements about vaccination and quarantine can be found [here](#).

Campus Access and HKU Vaccine Pass

Anyone wishing to enter the campus will be asked to use the LeaveHomeSafe (LHS) mobile app to scan the venue QR code. The venue QR code will be displayed at all entrances to the Main Campus. Once you scan it, LHS will automatically display the QR code of your vaccination record or exemption certificate to indicate your compliance with the HKU Vaccine Pass.

For details, please visit the [HKU Vaccine Pass](#) and [related FAQs](#) in the HKU COVID-19 Info Hub.

HKU's Infection Control Measures

To help reduce the spread of virus, the University has implemented stringent infection preventive measures on campus:

Campus Cleaning

From time to time, there is University personnel in protective gear engaging in cleaning and disinfection of different areas in campus. This is an extra precautionary measure taken by the University where necessary.

Facilities Enhancement

Ventilation measurements are taken in classrooms. Toilet facilities are being enhanced with upgraded exhaust fans and toilet seat sanitizers in toilets. Automatic doors are fitted at major building entrances to allow touch-free passages. Screens and partitions are installed at counters and reception areas.

Temperature Control

Temperature checks are done in strategic indoor locations on campus. Two sets of IR imaging stations had been set up in the Main Library and the Learning Commons. The University has also allocated non-contact IR thermometers to departments so that each department could implement appropriate temperature screening arrangements in their offices and facilities

Alcohol-based Handrub

Automatic hand sanitizer dispensers have been installed in all classrooms to facilitate the practice of good hand hygiene.

Face Masks

All persons should wear a mask in classrooms, shared/common study spaces, meeting rooms, and any other venues where appropriate physical distancing cannot be maintained. For example, It is recognized that mask wearing is not possible when eating or drinking and that in outdoor spaces, discretion may be used.

Teaching and Learning Arrangement

To ensure students have an immersive campus experience in HKU, face-to-face (f2f) will be the mode of teaching and learning in Semester 1, 2022-23. Lectures will be delivered f2f in teaching venues (including central classrooms and department rooms) adopting a room capacity of 75% of the original capacity. The University does not expect to offer students a full suite of remote learning opportunities in Semester 1. Please visit [here](#) for the latest announcements from the University.

Arriving at the Hong Kong International Airport

Visa Formalities

You must present the visa label/entry permit with your travel document at the immigration counter for inspection. A landing slip will be issued to you, and your student visa status will be activated.

You are reminded to check the landing slip and make sure it contains “student - permitted to remain until (a date)” at the top. Please keep both the visa label/entry permit and landing slip, and do not lose them throughout your stay in Hong Kong. Staple the landing slip to your passport.

Specimen of landing slip from Hong Kong Immigration Department for student visa holders can be found [here](#).

If you have entered Hong Kong without activating your visa or the date indicated on the landing slip is not after the end of your exchange period, please contact Immigration Department for assistance as soon as possible.

Making Phone Calls

Public Phones at the Airport

Over 200 public pay phones and courtesy phones are located throughout the terminals and SkyPier for passengers’ use. Normal phone charges apply and an itemised price list is posted on each pay phone. Please refer to [Airport Facilities and Services](#) for the location.

Getting a Phone Card

Hong Kong is using the GSM network. You can explore a wide range of packages offered by different service providers. When you sign a contract with a service provider, you are normally requested to show your Hong Kong Identity card, passport, proof of residential address in Hong Kong, etc. As an alternative, you can purchase a roaming pre-paid SIM card.

Students who are going to spend more than 180 days in Hong Kong may be eligible to apply for a Hong Kong Identity Card at the Registration of Persons Office of the Immigration Department. For details, please refer to the website of the [Hong Kong Immigration Department](#).

Weather Signals

Hong Kong in general has a mild weather. It can sometimes be affected by extreme weather. Severe weather phenomena that can affect Hong Kong include tropical cyclones, strong winter and summer monsoon, monsoon troughs, and thunderstorms with associated squalls that are most frequent from April to September.

The government has implemented a warning system. Examples of warnings are Tropical Cyclone Warning, Rainstorm Warning, Cold Weather Warning and Very Hot Weather Warning. There are a few grades of Tropical Cyclone Warning Signals (signals No. 1, 3, 8, 9 and 10 being the highest). In addition, there are three Rainstorm Warning Levels (amber, red and black being the highest). When typhoon signal No. 8 or above and/or black rainstorm warning signal is in force, classes are suspended. You are strongly advised to stay indoors.

You are advised to visit the [Hong Kong Observatory](#) for latest weather information and forecast.

Public Clinics and Hospitals

When specialist care and hospitalisation are required, you can consider using the services provided at public clinics and general wards of government hospitals.

Non-local students who will be spending less than 180 days in Hong Kong must present their valid passport/travel documents and validated student visa in order to enjoy subsidised services and hospitalisation in government clinics/hospitals.

Non-local students who will be spending more than 180 days in Hong Kong must present their HKID card in order to be eligible for subsidised services and hospitalisation in government clinics/hospitals.

For details of the fees charged by government hospitals, please visit [here](#) (Services Guides - Fees and Charges).

Off-campus Accommodation

If you do not want to reside in the university student residences, you can choose to find your own apartment or share a flat with your friends or other HKU students. Information on vacant flats and rooms can be found in local newspapers, real estate agencies or from the [website of CEDARS](#).

Bursary Scheme for Outside Accommodation for Non-local Undergraduate Students

As a non-local student, a big part of your education is to get a good understanding of the culture and living style of the local community. The Scheme was introduced to enrich non-local students' residential experience at HKU. If you join the scheme, you will receive a bursary from the University and you can decide and arrange your own accommodation in Hong Kong. We believe the Bursary Scheme serves good educational value, helps the newly arrived nonlocal students and eases the serious shortage of residential places faced by the University.

For information on application and eligibility, please visit [here](#).
