1. Preparation – Before You Go
1. Credit Transfer

At HKU – through your Faculty

- Apply pre-approval for selected courses – credit transfer subject to approval by your Faculty
- Prepare the course outline and description to seek Faculty advice and approval
- Prepare a list of backup courses offered by the host university
- Consult your Faculty Academic Adviser/Course Selection Adviser/Faculty or Department office in advance about any questions or doubts

➢ Only Pass/Fail grades

2. Apply Leave of Absence

- Check the academic calendar – whether there will be any clash throughout the semester
Credit Transfer

Before departure, students should seek pre-approval of courses for credit transfer according to the Faculty’s regulations and should discuss the arrangements with the Head of Department or Departmental Course Selection Adviser on the credit transfer application.

Students are advised to do comprehensive research to identify the most suitable courses especially the required courses. To achieve this, you could map and do comparisons on the course offerings between HKU and the host institution. During the process, we ask students to be as flexible as possible because the arrangement of each institution may vary.

To facilitate the credit transfer, you are recommended to save the course materials during the study abroad programme. In this way, the Faculty could refer to the materials carefully and decide which courses are transferrable. The actual transfer of credits happens after you have returned to HKU. The Faculty has the final authority to decide the number of courses and credits taken at the host university to be transferred back to HKU towards your degree.

Please note that the pre-approval of courses and credit transfer arrangement of each Faculty may vary so please refer to the following pages for more information.
