

## Short-term Abroad Partnership - Summer 2021 (2nd Round)

### Points to note

- Information below is accurate at the time of compiling the list. As the information is subject to change by host institutions/organisations, please refer to the websites of institutions/organisations for the most up-to-date programme details.
- 'Relevant Programme Content/ Course Offering' is only a brief indicator on which academic disciplines are involved. It is not a direct equivalence of any faculty in HKU. Students should look into the programme/course descriptions to check the possibility of credit-transfer.
- Students may consider taking cross-disciplinary courses as long as they have fulfilled the course prerequisites (if any) required by the host institutions/organisations.
- Students should be aware of the programme start dates and end dates.
- Due to the current global health crisis, **the teaching mode/availability of the programme is subject to change. Programmes that begins with "Virtual" will be taught in online format.** Please check the latest updates from the host institutions/organisations.
- To be eligible for IAO financial assistance, student must complete a duration of 2-weeks or above programme physically at the host institution/organisation and host country.**
