Application Deadlines	<p>Fall/Academic Year: March 15th Spring Semester: September 15th</p>
Eligibility requirements	<ul style="list-style-type: none"> B average (3.0 on a 4.0 scale) English language proficiency verification Must have completed 1 year in residence at home university Undergraduate and graduate level students (all students will be processed as undergraduate at Illinois no matter their level at their home university)
Visa Information	https://studyabroad.illinois.edu/incoming-students/accepted-students/index.html
Course Information	
Language of Instruction	<p>All courses are taught in English (except foreign language courses.)</p>
Course Catalog	<p>Visit https://courses.illinois.edu/ to view the course schedule.</p> <p>Students applying for the fall semester should list courses that were available during the previous fall semester.</p> <p>Students applying for the spring semester should list courses that were available during the previous spring semester.</p>
Course limitations and selection	<p>Please remind your students that Illinois cannot guarantee enrollment in any specific course (even if the student needs the course to graduate), so it is important for exchange students to be as flexible as possible in their course selection.</p> <p>It is not possible to take courses offered by Gies Business, College of Law, or Master of Science in Financial Engineering. There are no exceptions.</p> <p><i>Computer Science</i></p> <p>Access to Computer Science courses is limited. Exchange students assigned to Computer Science cannot take more than 2 Computer Science courses per semester and cannot take CS 374.</p> <p><i>Physics</i></p> <p>Students assigned to Physics will not be allowed to take more than 3 Physics courses per semester.</p>
Mandatory Course	<p>All engineering exchange students are required to take ENG 398 Grainger Engineering Design Your Experience.</p>

	Registration instructions are provided to students during the Pre-Arrival Orientation.
Preliminary language training classes provided?	No
Scholarships	
Scholarships provided to exchange students?	No
Accommodation	
Type of accommodation offered	Upon acceptance, students may apply for a room in a university residence hall (most residence halls require students to purchase a meal plan), or they may choose to rent a private apartment.
Housing resources	On-campus housing : www.housing.illinois.edu Off-campus housing: https://occl.illinois.edu/
Maximum beds offered to every partner school?	Not applicable
Limitations or suggestions on accommodations?	Students who choose to apply for university housing should be aware that there is no guarantee that they will get the residence hall of their choice. Students who apply for university housing are entering a contract with the University Housing office and there are penalties for cancelling the contract.
Expenses (in U.S. dollars)	
Tuition and Fees	Exchange students do not pay University of Illinois tuition and they receive a waiver for most University of Illinois fees. Below is a list of the mandatory fees that exchange students are required to pay. Health Service Fee Transportation Fee International Student Fee Illinois Student Insurance (students are automatically enrolled in Illinois student insurance) Visit https://registrar.illinois.edu/tuition-fees/tuition-fee-rates/tf-rates-term/ug-fees-cr-2122/ to find the current U.S. dollar amount for each of the above fees.
Food	Lunch and dinners at local restaurants in the campus area are \$7.00 – \$12.00 per meal
Public Transport	CU MTD (public buses) are free when using university student card. Taxis and Uber are also available at varying rates.
