

Short-term Abroad Partnerships - Summer 2023 (updated 20 Feb 2023)

Points to note

1. The information in this table is accurate as of the time of compilation. As this information is subject to change by host institutions/organisations, please refer to the websites of institutions/organisations for the most up-to-date programme details.
2. 'Relevant Programme Content/ Course Offering' is only a brief indicator on which academic disciplines are involved. It is not a direct equivalence of any faculty in HKU. Students should look into the programme/course descriptions to check the possibility of credit-transfer.
3. Students may consider taking cross-disciplinary courses as long as they have fulfilled the course prerequisites (if any) required by the host institutions/organisations.
4. Students should be aware of the programme start dates and end dates.
5. Due to the current global health crisis, **the teaching mode/availability of these programmes is subject to change.** Please refer to the programme website for the latest updates.

To be eligible for IAO financial assistance, students must attend in person (i.e. physically at the host institution and in the host country) and complete a programme that is at least 2 weeks long.
