

Short-term Abroad Opportunities (Winter 2024-25)

Points to note

1. Information below is accurate at the time of compiling the list. As the information is subject to change by host institutions/organisations, please refer to the websites of institutions/organisations for the most up-to-date programme details.
2. 'Relevant Programme Content/ Course Offering' is only a brief indicator on which academic disciplines are involved. It is not a direct equivalence of any Faculty in HKU. Students should review the programme/course descriptions and coordinate with their home Faculty to check the possibility of credit-transfer.
3. Students may consider taking cross-disciplinary courses as long as they have fulfilled the course prerequisites (if any) required by the host institutions/organisations.
4. Students should be aware of the programme start dates and end dates. If programme dates conflict with HKU's academic calendar, students should coordinate with their home Faculty to request a Leave of Absence if needed.
6. To be eligible for IAO financial assistance, student should join an in-person programme which lasts for at least 2 weeks.
7. Students who go to Belt & Road regions highlighted in **BLUE** and are recipients of financial assistance from Student Finance Office may be eligible for Government Subsidy (SSEBR). Please visit <https://intaffairs.hku.hk/government-subsidy-for-short-term-study-abroad-programme> for details.
