The University of Hong Kong – Faculty of Business and Economics (FBE) Course List 2026/27

Important Notes:

1. Students who apply to FBE should have a grade level of B average / CGPA 3.0 / Satisfactory level.

2. Courses offered by FBE are **highly competitive**. Students who are in their final year in particular, should note that **course enrolment is NOT guaranteed**.

3. Please note that the available course list is for reference only. The approval of courses is at the discretion of respective faculty.
   Actual enrolment is subject to the availability of courses, quota (Note: FBE courses are in high demands) and class schedule.
   [The information could be changed without prior notice.]

4. Economics and Finances courses highly emphasise mathematics. Students should have already completed the course prerequisites before requesting to enrol in courses with pre-requirements (Co-registration e.g. taking Microeconomics I and II together in a semester is not allowed).
   Please refer to the course outlines on **https://ug.hkubs.hku.hk/course**.

5. **Course code with *** are only opened to students nominated under faculty-level agreement with FBE.**
   Students nominated under university-level agreement are ONLY allowed to take courses WITHOUT *.**
   Please check with your home university's exchange coordinator on the agreement type before selecting these courses.

6. You may contact **fbe.ugexchange@hku.hk** if additional course information is required.
